PUBLIC HEARING opened 1:15 pm

The Trustees opened the public hearing to discuss changing from a Deed to a Right to Inter. Questions were asked about the difference, and would it affect the deeds purchased in the past.

The difference is people perceive a deed as buying a piece of property when in reality the deed states under rules and regulations it shall be for the interment of deceased persons only. The right to inter spells out that you're purchasing a right to inter human remains and not property.

The trustees stated it wouldn't affect deeds purchased in the past.

The trustees closed the public hearing at 1:40pm.

E. Lyons made a motion to change from a deed to right to inter second by S. Lane passed in favor.

The Trustees started to work on the budget for 2008
